Be A Sport, Life Gets Better

June 2021 / Q2

Hi Everyone,

With the lockdown and the restrictions on movements nothing was possibly achieved by us. We apologise for this period of sedentary living.

Despite of the pandemic, we have good news for you. Our president Puan Sri To' Puan Datuk Dr Shariffa Sabrina Binti Syed Akil has been invited by the Ministry of Youth and Sports to be their committee member under the 'Women's Sports' section. Congratulations Puan Sri Sabrina. She is most elated that KBS (Kementerian Belia dan Sukan) believes in her expertise and experience as a leader for WSFFM. She will do her best to help develop sports for women under KBS.

Puan Sri Sabrina also celebrates her birthday in June. A belated "happy birthday' wish from all of us in WSFFM and PEKA. It was a quiet do at home due to the lockdown. She promised to make up for it next year.

Tanah Aina Café is giving away free take away meals as stipulated in the flyer below. Thank you Puan Sri Sabrina for your kind generosity towards the less fortunate at this time of hardship during the pandemic crisis.

We are also very sad to announce the demise of one of our exco member, Encik Wahab Bin Rejab. Our deepest condolence to his family.

He was exco from 2018 - 2021. He was very proactive in all our activities and a person with creative ideas. He was very approachable, helpful and friendly. May his soul rest in peace.

Keep up with our Facebook and website where we keep you posted on any future activities. We wish to thank you all for your patience and continuous support of WSFFM. May this pandemic come to pass so that we can go back to normalcy.
